Case study 1: Dubai facility services company

From quiet pages to 20+ enquiries a month

Industry: Facility & technical services (water tank, kitchen hood and HVAC cleaning), Dubai, UAE **Services:** Post design · Social media management · Google Business Profile · SEO · Ads

The challenge. The company offered water tank cleaning, kitchen exhaust cleaning, HVAC cleaning and pipeline disinfection, but had very little online presence. People searching for these services in Dubai weren't finding them.

What we did.

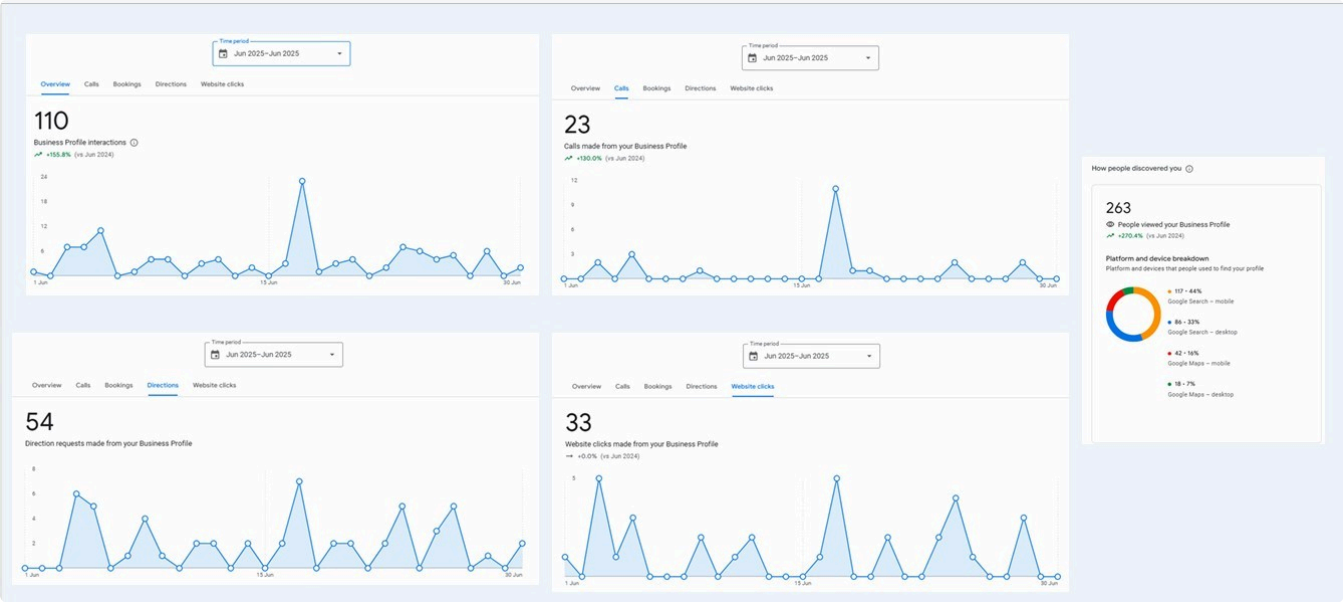

- Designed consistent social media creatives using real job-site photos, clear service messages and a "Free Consultation" call to action
- Managed their Facebook, Instagram and LinkedIn pages with regular posting
- Set up and optimized their Google Business Profile for Google Search and Maps
- Supported it all with SEO and targeted ads

The results.

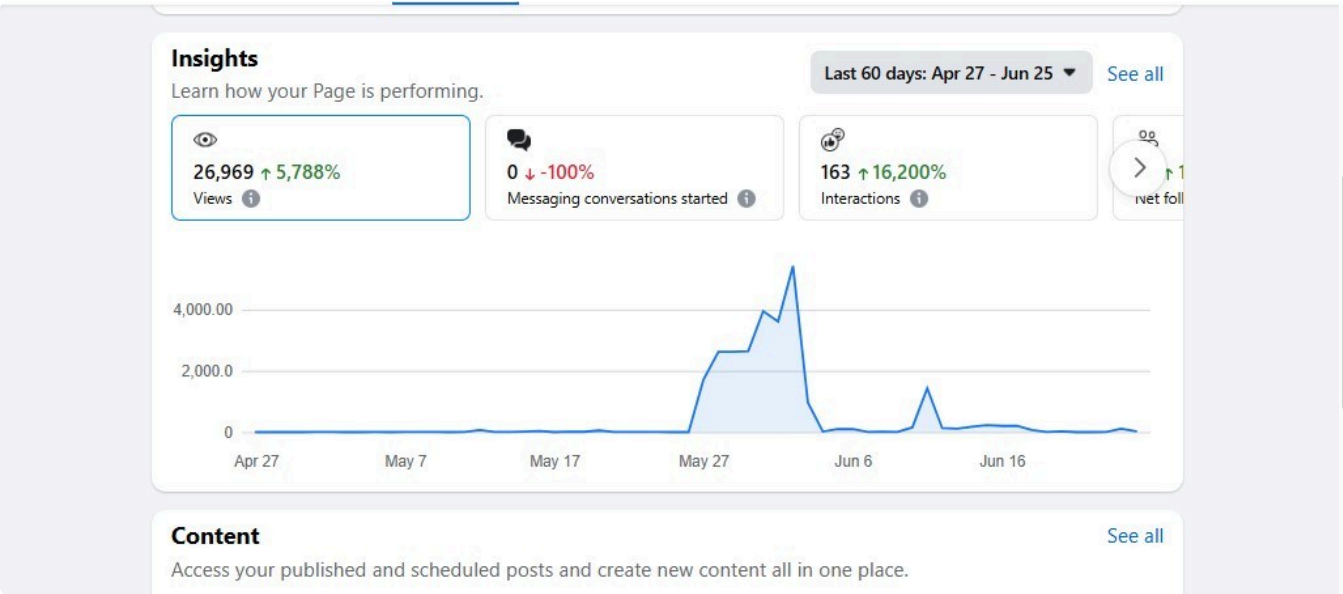

Result	Number
Monthly enquiries	20+
Google Business Profile views in one month	263 (+270% year on year)
Profile interactions in one month	110 (+156% year on year)

Result	Number
Calls from Google in one month	23
Direction requests in one month	54
Facebook page views in 60 days	26,969
LinkedIn impressions in 3 months	4,224 (+353%)

Case study 2: International crypto company

627K ad impressions and 8.5K clicks

Industry: Crypto & fintech, international **Services:** Google Ads strategy and management

The challenge. The company needed to reach the right audience in a highly competitive, tightly regulated ad category, and turn clicks into measurable sign-ups.

What we did.

- Planned and ran Google Ads campaigns within the platform's crypto advertising rules

- Set up conversion tracking so every result could be measured
- Continuously optimized keywords, ads and budgets

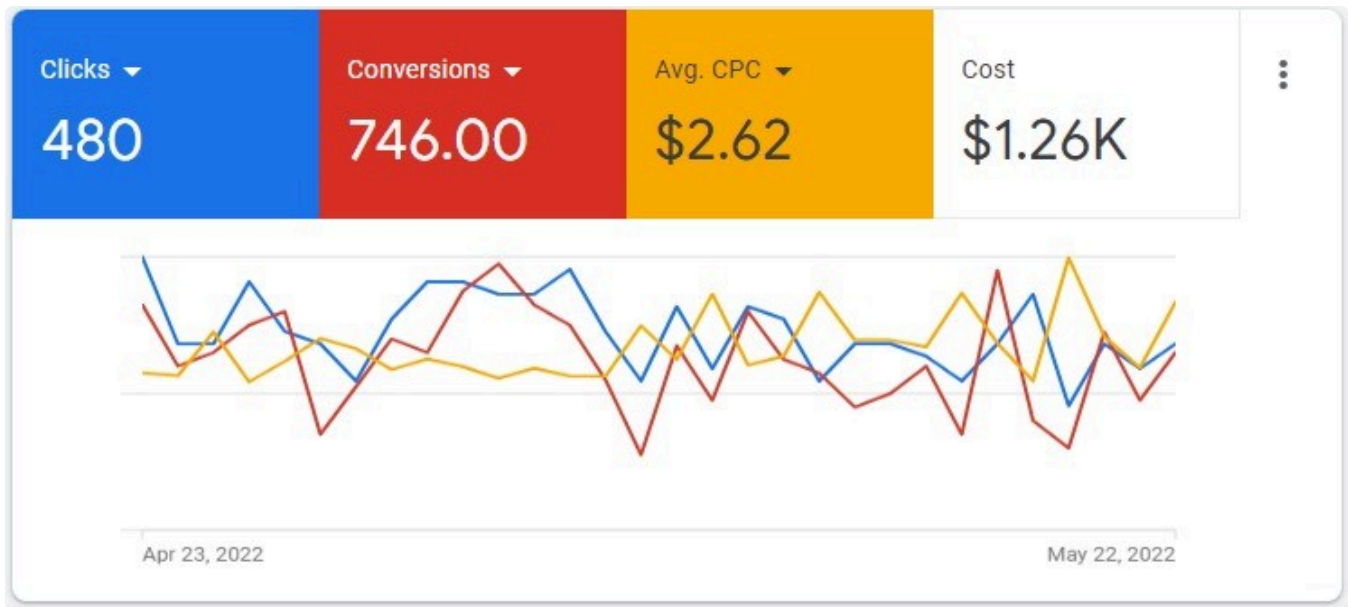

The results.

Result	Number
Ad impressions (Jul 2021 – May 2022)	627K
Clicks	8.54K
Click-through rate	1.36%
Conversions tracked in one month	746

Case study 3: Islamabad farmhouse real estate project

Bilingual campaigns that brought steady investor leads

Industry: Real estate, farmhouse plots near Islamabad **Services:** Post design (Urdu & English) · Social media management · Ads · SEO

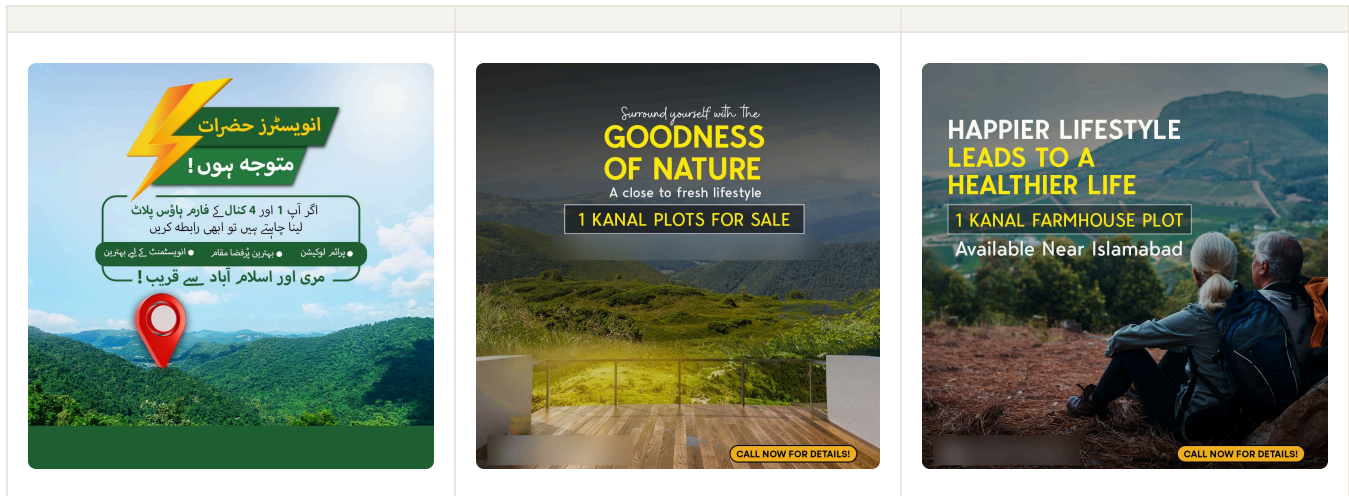

The challenge. The project needed to reach both local buyers and investors, including Urdu-speaking audiences, and turn interest into phone calls.

What we did.

- Created bold, bilingual creatives highlighting location, plot sizes and lifestyle
- Ran social media and targeted ad campaigns aimed at investors and families
- Built every post around a clear "Call now" message to drive phone and WhatsApp enquiries

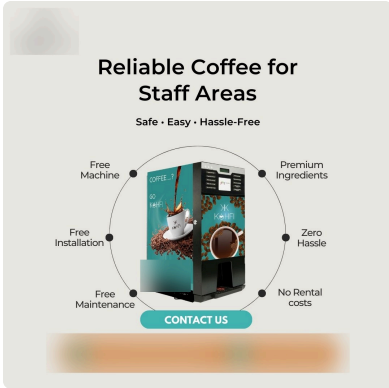

The results. A steady flow of qualified investor leads throughout the campaign. (*Sales figures are confidential at the client's request.*)
